RECOMMENDATION

By letter dated the 7th day of June, 1985 (which is attached hereto as Appendix A) counsel for Complainant asks that this case be closed for lack of a respondent.

Furthermore, counsel for Complainant spoke to this Hearing Examiner via phone on the 30th day of September, 1985 and again requested that this case be closed.

And furthermore it appears that counsel for Complainant has exercised due diligence to locate this Respondent without success.

Therefore this Hearing Examiner, perceiving no reason not to allow this motion, recommends that the Commission close this case and remove it from its docket.
